## MISSION

Providing new products with Years of our experience and understanding quality without compromising

## VISION

By using our manufacturing capacity to cater to the kitchens all over the world

## COMPANY PROFILE

AR YILDIZ was founded in 1948 in Istanbul/Turkey. Getting early recognition with its massive range and high quality of products, Ar Yıldız flourished in Turkish market quickly, and became one of the leading manufacturer of stainless steel kitchenware and cookware. In 2001 Ar Yıldız established a new facility in order to answer the growing market needs and extend its product line on a closed area of 48.000 m<sup>2</sup> and an open area of 72.000 m<sup>2</sup> in Corlu/Tekirdag city in Turkey.

Along with more than sixty nine years of experience, its professional understanding of manufacturing, administration, desire for unconditional customer service and satisfaction, following the latest technology with its wide range of machines, Ar Yıldız has expanded its customer portfolio over the years by using modern marketing techniques and made itself a mission to become the best in its field as well as dedicated itself to perfection.

In order to become a company that adds value to life with its high-quality products that create convenience, respect people, nature, and law, Ar Yıldız has established its own R&D department. Over the years, experience and quality brought Ar Yıldız into having more than 6000 different products and reaching more than 750 selling points inside and outside Turkey, Ar Yıldız took its place as a sector leader.

Ar Yıldız was awarded with the "2011 European Union Quality Awards" for reaching global standards in production technology and business ITM. Ar Yıldız was also awarded in 2010 and 2011 for the "Consumer Quality Award". Ar Yıldız successfully proven itself by meeting the global requirements and is certificated for ISO 9001- 2008 , ISO 14001-2004, ISO 22000-2005 , OHSAS 18001-2007 and ISO 10002-2004.

As a response to the cutthroat competition today, without conceding from its quality standards and put customer satisfaction first, open to modern solutions and adopting modern production system, Ar Yıldız continue to enrich the Turkish kitchens everyday and will continue for years to come.

## Production Plant

Ar Yıldız factory established on a closed area of 48.000 m<sup>2</sup> and an open area of 72.000 m<sup>2</sup> in Corlu/Tekirdag, which is considered the largest stainless steel kitchenware and cookware factory in Turkey and among the top 3 of Europe.

AR YILDIZ focuses on exceptional design that sets newest aesthetic standards. In-house design under one roof, our designers work continuously to turn an idea into perfect, function-oriented products. The result, AR YILDIZ created Taste & Beyond...

Elegant dinners with unforgettable moments... Why not surprise your guests with your finest cooking talents.. An elegant dinner table, a warm atmosphere and the most stylish AR YILDIZ cutlery sets.. create a moment that will stand out for everyone as an unforgettable dinner. Not only for special dinners, the 18/10 Cr-Ni stainless steel is the most hygienic and aesthetic material as being everyone's best choice and ideally suited for daily use.

AR YILDIZ SAMOVAR, the special composite steel metal we use in our samovars is distinctive and sensitive to various microorganisms.

The chlorinated line in the samovar reservoir is formed when the foreign substance sticks on. The substances that cause the kidney stone in humans are gathered in this chlorinated line. The boiled water in samovar is ideal for this. The then in tea doesn't disappear in samovar, therefore the samovar tea cleanses the digestive system, regulates and comforts it. At the same time, the magnetic field caused by boiling samovar regulates the neural system of the one sits next to it and it removes the stress. The pleasure of tea talks with samovar is irreplaceable. with samovar, you can entertain your guests and share good moments with your loved ones.
